

EDUKI COMPETITION 2023/2024

MY FUTURE, MY IDEAS

TECHNICAL FORM - CONCRETE ACTION CATEGORY

Thank you for signing up for the competition. We look forward to discovering your project!

Please fill in this form carefully and submit it through your personal space on the Eduki website, together with a video of maximum two minutes in MP4 format briefly presenting your project.

Name of the project (maximum 150 characters)

Description of the project (maximum 2,000 characters)

Make sure to mention the aim of the project.

When you registered for the competition you had to fill in a short description of your project. If some aspects of your project have changed since you registered, please explain below why and how. This will allow the jury to see if there has been a significant change between the original idea and its realisation.

Evaluation criterion 2: Process followed and personal engagement (maximum 2,000 characters)

Describe the process followed and the evolution of your project. Explain the stages of the project (from researching ideas to the result) and the role of all people involved in the project (for example, if you worked in a team, what were everyone's roles? Did you consult anyone around you or contact any organisation?).

Evaluation criterion 3: Originality of the work (maximum 2,000 characters)

Describe the originality of your project. Explain why your work reflects creativity showing a different, surprising and/or innovative point of view.

Evaluation criterion 4: Feasibility of the project
