

EDUKI COMPETITION 2023/2024

MY FUTUR, MY IDEAS!

CHECKLIST CONCRETE ACTION

A concrete action is a **project or idea for a project** related to the theme of the Competition and executed at school, in the local area or town.

Please find below a checklist to guide you through the main steps you must follow in order to realize your project and not miss anything when submitting to the competition.

Quick tip! All the elements described in the technical sheet correspond with the evaluation criteria.

Ideas and goals How did the idea come to you? How did it evolve during the realization process? Why did you decide to do your project? Whom is it aimed at? What do you wish to change through your project?

Relevance to the theme What is the link with the theme of the competition, current issues and/or the SDGs? For example, links between peace and access to quality education, health, etc.

Means at your disposal What resources do you dispose of to carry out your project? For example, do you have free access to a venue or equipment or have you created a partnership with an international cooperation stakeholder? Quick tip! Is your project reproducible elsewhere? If so, explain under what conditions.

Budget What financial means does your project need? Administration, materials, rental of space, request for authorizations for an event, rental of equipment, etc. Everything should be included.

Planning and processus To go from idea to realization, what is your plan and what process did you follow? Which are the key dates for your project implementation? Explain your role and those of other people involved in the project. Remember to document the evolution of the project and the monitoring process, for example with photos or videos!

Impact(s) What impact (s) do you think your project will have? Will your goals be accomplished? How do you plan to evaluate your project? Can it be carried out in the long term?
